Actiontec 54 Mbps Wireless USB Adapter Installation Guide (for computer's running 32bit Vista)

The Actiontec 54 Mbps Wireless USB Adapter supports Microsoft's 32-bit Vista operating system, but not 64-bit Vista.

To install the Wireless USB Adapter in a 32-bit Vista system:

- 1. Insert the Installation CD into the DVD/CD-ROM drive of your computer.
- 2. Double-click on the "Computer" icon on your computer's desktop, then, when the "Computer" window appears, right-click on the "DVD/CD-ROM" listing.
- 3. In the menu that appears, select **Explore**.
